Sir,

Subject - Continuance of the lighting peon in Sringeri Municipality from 1947-1948 and onwards on a permanent basis

---

In forwarding herewith the connected records received with report No L C 96/48-49 dated 26-7-1949 from the President, Sringeri Minor Municipal Council, on the above subject, I write to state that the Council had entertained the services of a lighting peon on a pay of Rs 11/- per mensem from 1st July 1947 without obtaining the previous sanction and this was observed by the Deputy Commissioner on 5-6-1948, when he inspected the Municipal Office The Municipal Council, having considered the subject, decided to dispose of the right of lighting the Town to private persons on contract basis In view of there being no tenders in response to the Council's invitation, the same was brought to sale by public auction on 28-1-1949, when the only bid involving an offer of Rs 16/- per each petromax light and Rs 8/- per country light was received The contract in respect of lighting 13 petromax lights and 8 country lights in the town costed Rs 2300/- per annum The council have decided in their resolution dated 23th January 1949 that lighting arrangements by the Municipal Agency would work up cheaper than the lighting by contract, in that the former involved a cost of Rs.1300/- per annum in respect of the cost of establishment and the materials required to be purchased for the purpose They have therefore proposed the entertainment of a lighting peon on a permanent basis with a pay of Rs.14/- per mensem in addition to the High Price Allowance of Rs 12/- per mensem and this proposal costs Rs 312/- per annum

Under the circumstances, I am of opinion that the post of the lighting peon may be sanctioned from 1st July, 1947, on
